

Dear Colleague

The Organizing Committee of the [14th International School and Symposium on Synchrotron Radiation in Natural Science \(ISSRNS'2019\)](#), which will be held on **9th-14th June 2019 in Zakopane, Poland**, has a great pleasure to invite you to attend this interdisciplinary meeting and to enjoy the international interdisciplinary community of synchrotron radiation users.

CONFERENCE AIM

The aim of our interdisciplinary meeting is to bring together scientists and students working with synchrotron radiation. ISSRNS is a traditional forum for discussing fundamental issues of application of the synchrotron radiation and related methods in natural sciences. The goal of this interdisciplinary Symposium is to bring together users (scientists and graduate students) of synchrotron radiation. The meeting will focus on novel applications of synchrotron radiation in physics, chemistry, material and life sciences.

CONFERENCE SCOPE

Conference programme features a strong scientific agenda focused on:

- X-ray diffraction studies of materials at extreme conditions,
- in situ synchrotron studies of materials,
- scattering techniques in structural analysis of new materials and biological macromolecules,
- X-ray imaging, nanoimaging, holography and nanotomography,

- macromolecular crystallography of complex systems,
- XFEL sources, time-resolved and ultrafast techniques
- design and development of instrumentation for synchrotrons and free electron lasers,
- applications of X-ray fluorescence, X-ray absorption, and photoelectron spectroscopies in material science and biophysics,
- X-ray magnetic dichroism,
- other applications of synchrotron radiation in nanosciences and soft matter physics.

IMPORTANT DEADLINES:

Registration (via conference website)	- April 23, 2019
Submission of abstracts	- April 23, 2019
Notification of abstracts acceptance	- April 29, 2019
Payment (early registration fee)	- April 29, 2016
Submission of papers to the ISSRNS 2016 proceedings	- July 19, 2019

Take a quick view of the conference website:

issrns14.home.amu.edu.pl

The registration now is open.

We look forward to your participation in the ISSRNS 2019.

Prof. Maciej Kozak – Conference Chair & The Organizing Committee
