

Instructions for Authors

If your abstract is accepted, please submit 2 hard copies and e-version (on CD) of your manuscript at the registration desk in Zakopane, May 18th. Later manuscripts will not be accepted. The length of the doubly spaced manuscripts written according to the instructions for PT

<http://www.tandf.co.uk/journals/authors/gphtauth.asp>

should not exceed 10 pages, including references and estimated space for Tables and Figures. Shorter contributions are also welcomed.

The reference style can be found under the following address:

http://www.tandf.co.uk/journals/authors/style/quickref/tf_Q.pdf

To speed up publishing in Phase Transitions, referees will be asked to prepare their reports at conference place. If necessary, improved manuscripts should be sent back by e-mail to one of the guest editors, before June 5th.
