

MAG-EL-MAT Members Meeting

Będlewo near Poznań, Poland
May 3-6, 2006

New materials for magneto-electronics

Topics

- Biomagnetics and medical physics
- Strongly correlated electrons in spintronics
- Modern electronics and nanotechnology
- New ideas for magneto-electronics

Organizing Committee

- | | |
|--------------------------------------|--------------------------------|
| - Bogdan Idzikowski (co-ordination) | - Elżbieta Balicka (secretary) |
| - Tadeusz Luciński (publication) | - Barbara Cicha |
| - Stanisław Lipiński (publication) | - Dawid Konieczny |
| - Teresa Dyla (finance) | - Sergiy Kostyrya |
| - Wojciech Kowalski (transportation) | - Zbigniew Śniadecki |
